Thank You

To everyone who came out to help make the event such a great success!

GET READY GREENVILLE COUNTY

GREENVILLE COUNTY EMERGENCY RESPONSE TEAM

METAL CUTTING TRAINING

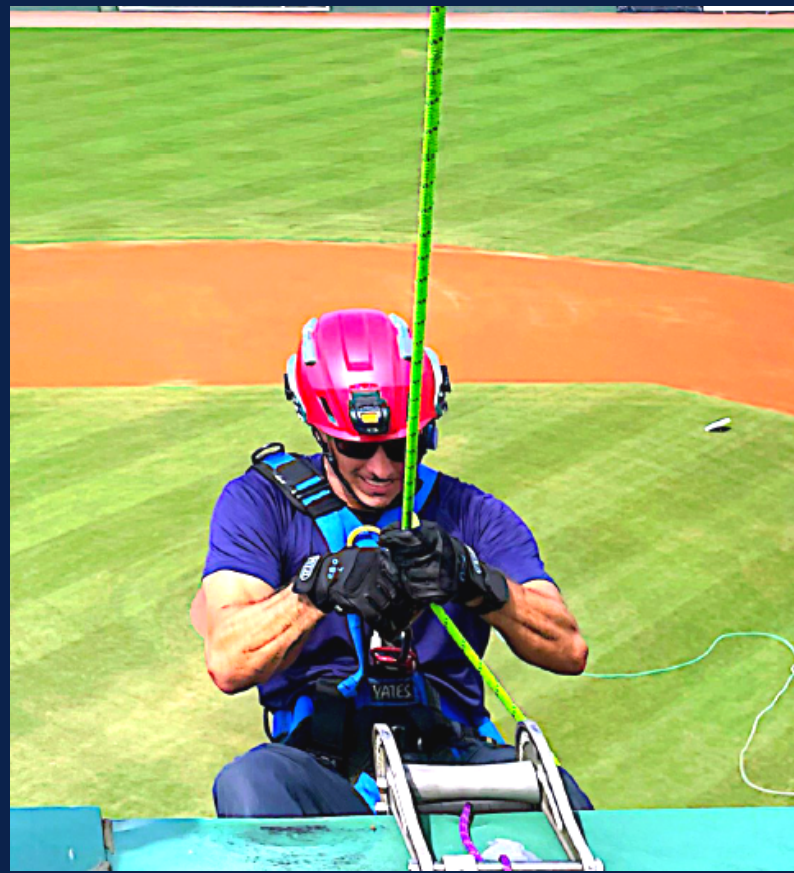

On September 21st, team members practiced metal cutting principles using power saws, petrogenic torches, exothermic torches, and propane torches. Special thanks to Battalion Chief Todd Milam from Parker District Fire for setting up the training and hosting the training event at their drill tower.

Team members from Berea Fire, Boiling Springs Fire, Parker District Fire, Greenville City Fire, South Greenville Fire, Duncan Chapel Fire, Gantt Fire, Greenville County EMS, and Piedmont Park Fire all took part in the training.

GREENVILLE COUNTY EMERGENCY RESPONSE TEAM

GREENVILLE DRIVE RAPPEL

On September 11, Greenville County Emergency Response Team, South Carolina Task Force 6 and Greenville City Fire Rescue Team took part at the Greenville Drive Stadium for a Safety Rappel Demonstration. Teams rappelled down in the middle of the 1st inning and gave away Greenville Drive T-Shirts to fans.

Team members from Parker District Fire, South Greenville Fire, Gantt Fire, GCEM, and Piedmont Park Fire participated in the demonstration.

GREENVILLE COUNTY EMERGENCY RESPONSE TEAM

NIGHT BOAT OPERATIONS TRAINING

On August 31st, Greenville County Emergency Response Team and South Carolina Task Force 6 took part in a night of boat operations on Saluda Lake. This training aims to conduct boater safety, maneuvering techniques, missing person search, the incident command for lake response, identify needs for boat operations at night, and demonstrate the capabilities of SARTOPO.

2022 Preparedness Workshop Series

Hosted by the South Carolina Division of Emergency Management and the Federal Alliance for Safe Homes (FLASH)

JOIN US!

At this Workshop, you will:

Identify Your Risk

Learn about business continuity, disaster response, and the cost-benefit of preparing for earthquakes and other business interruptions;

Develop a Plan

Identify preparedness and mitigation actions needed to ensure safety and business continuity and complete assessments to begin planning for retrofit projects; and,

Take Action

Learn how to perform preparedness and mitigation activities using the *QuakeSmart Program*.
