AUGUST 2023

The seal of Greenville County Emergency Management is a circular emblem. It features a central illustration of a landscape with a crescent moon in the sky, a palm tree on the right, and rolling hills at the bottom. The words "EMERGENCY MANAGEMENT" are arched across the top, and "GREENVILLE COUNTY, SC" is arched across the bottom. There are small stars on either side of the central illustration.

FOR THE

GET READY GREENVILLE COUNTY EVENT

Sunday, September 3, 2023

September is National Preparedness Month!

YOU'RE INVITED TO
Get Ready
GREENVILLE COUNTY
A community preparedness event.

03 SEPTEMBER, 2023

FIELD ST., GREENVILLE,
SC 29601

4:00 PM - 7:00 PM

STEP UP TO THE PLATE!
LEARN HOW TO PREPARE FOR A DISASTER &
MEET FIRST RESPONDERS!

We are partnering with the Greenville Drive for our annual preparedness day, Get Ready Greenville County, in celebration of National Preparedness Month this September. The goal of this community event is to bring together partners who prepare for and respond to emergencies and disasters, to help prepare our community.

IT'S NEVER TOO SOON TO PREPARE

Travelers Rest Farmers Market

On July 22nd, at the Travelers Rest Farmers Market, Greenville County Emergency Management had the chance to educate children on emergency preparedness at the kids' tent. Along with sharing important information, attendees had the chance to spin a prize wheel and win prizes like flashlights, color-changing cups, goody bags, and first aid kits.

CERT TRAINING

Community Emergency Response Team

The summer Community Emergency Response Team (CERT) basic training class completed their training on July 29th. The primary reason for CERT training is to give people the decision-making, organizational, and practical skills to offer immediate assistance to family members, neighbors, and associates while waiting for help. While people will respond to others in need without the training, the goal of the CERT program is to help people do so effectively and efficiently without placing themselves in unnecessary danger. Congratulations to our recent graduates!

FIRST RESPONDER DAY

Fluor Field

On July 9th, Fluor Field celebrated First Responder's Day. Attendees had the opportunity to interact with hands-on exhibits, view patrol cars, EMS vehicles, and more. The Greenville County Emergency Response Team, South Carolina Task Force 6, and Greenville City Fire Rescue Team participated in a Safety Rappel Demonstration. During the first inning, the teams rappelled down and gave away Greenville Drive T-Shirts to fans.
