COURSE & EVENT REGISTRATION PROCESS

Most course registrations are processed through the South Carolina Emergency Management Division (SCEMD) Learning Management System (LMS). This requires all first-time users to create an account. Creating a SCEMD LMS account allows users to register for available courses, access training transcripts, withdraw if needed, and print course completion certificates (if applicable).

STEP 1: Click on the hyperlink in any of the available course titles in the upcoming courses or on the GCEM Google Calendar. This will take you directly to the registration.

STEP 2: Register for the selected course. A confirmation of your registration will be emailed to the address associated with the account.

STEP 3: Attend the course, if for some reason you are unable to, no problem! A withdrawal option is available on the course registration site with > 24 hours of notice.
